

INJECTION MOULD MAKER

Interior Trim Injection Parts

We have rich experience in manufacturing Interior trim injection parts in good quality, and we has specialized in precision plastic mould and plastic part manufacture for years, serving global customers. We are expecting to become your long term partner in China.

ERBIWA MOULD INDUSTRIAL CO., LTD

Wholesale Interior Trim Injection Parts from China Manufacturers

We generally believe that one's character decides products' excellent, the details decides products' good quality ,with all the REALISTIC,EFFICIENT AND INNOVATIVE group spirit for New Delivery for China Interior trim injection parts, We feel that a passionate, modern and well-trained crew can build fantastic and mutually helpful small business relationships with you soon. You should feel free to speak to us for more information.

New Delivery for China Interior trim injection parts, Auto Parts, We have now advanced production technology, and pursuit innovative in products. At the same time, the good service has enhanced the good reputation. We believe that as long as you understand our product, you have to be willing to become partners with us. Looking forward to your inquiry.

Interior Trim Injection Parts Introduction

We can customize the Interior trim injection parts based on customer drawing and specification specially.

We adopt integrated ERP system to plan and control the whole process for a project from quotation to DFM, design, manufacture, test, production and delivery.

We have advanced precision facilities and professional experienced project team to ensure our mold in good quality with on-time delivery.

We are endeavoring to become one of the leaders in the field of mould manufacturing and injection moulding in the world.

1. Interior Trim Injection Parts Parameter (Specification)

ERBIWA MOULD INDUSTRIAL CO. , LTD.

Address:NO. 96 Jinghai Middle Road, Shatou Community, ChangAn Town, Dongguan City, GuangDong Province, China.

Tel:+86-769-88007279

E-mial:sam@erbiwa.com.cn

Phone:+86-13877585320

Automotive injection Moulding Parts	Size	Depends on customers requirement (2D/3D)
	Color	Single / Multi
	Function	Plastic parts for Automotive components
	Use	Automotive application,automatic,O/A, etc
	Brand	Canon, Epson, Brother, Sony, Tyco, Audi, Honda, Toyota and Flextronics, Fuji Xerox, HP, JST, Kyocera, Panasonic, BMW, Sanyo, ZTW
Mould	Type	Prototype mold and series/production mold
	Standard	HASCO, DME,LKM,FUTABA,other
	Cavity/Core material	1.2343/1.2311/SKD61,S136,NAK80,H13,738H,other steel
	Injection	Cold runner/hot runner(Moldmaster,YUDO,INCOE,HUSKY,MOLD-TIP,other
	Cycle life	500k~1000k shots
Service	One stop service	Design- Mockup- Manufacturing- Assembly
	Design	CAD/CAM technical platform and perfect engineering data switching system which enable us to have elastic choices to offer service to our customers. UG 4.0 DXF, DWF, PRT, SAT, IGES or STE format for mold design and layout
	Mockup	Rapid laser mockup /CNC mockup process
	Manufacturing	Prototype mold,production mold,plastic parts production
	QC	Latest precise detecting instruments Well trained and skillful inspectors Timely feedback to manufacturing department High yield rate and timely delivery
	Delivery	SAMPLES SHIPPED BY FEDEX,DHL,TNT,UPS Sea or air shipment for Mold/mass production

3.Interior Trim Injection Parts Feature And Application

We can customize different size and geometry Interior trim injection parts in different molding material with variant texture surface or colors.

I Automotive interior panel

I Automotive lamp

I Automotive decorative panel

4. Interior Trim Injection Parts Details

Name: Interior trim injection parts
cavity/core steel: Imported 1.2344 steel
moulding material: PP+EPDM Color: customized color
Cavity: 1 cavity
Surface finishing: General polishing
Tool life: one million shots

5. Interior Trim Injection Parts Qualification

We are ISO9001:2015 and IATF16949 certificated precision plastic injection mold maker and moulding company.

6. Deliver, Shipping And Serving

ERBIWA MOULD INDUSTRIAL CO., LTD.
Address: NO. 96 Jinghai Middle Road, Shatou Community, ChangAn Town, Dongguan City, GuangDong Province, China.
Tel: +86-769-88007279
E-mail: sam@erbiwa.com.cn

Phone: +86-13877585320

Our QC will 100% inspect the mold and parts before shipping and provide detailed inspection report.

After pass inspection, we will carefully clean the mold and parts.

- 1) .For moulds, they will be coated one-layer anti-rust oil firstly, and then covered thin films overall the mould, finally pack into non-solid wooden case.
- 2) .As for plastic products, we will pack into standard export cartons or as per customer's requirements.

7.FAQ

Q: How can I get the quotation?

A: We will submit the quotation in 24 hours if getting detailed information during working days. In order to quote for you earlier, please provide us the following information together with your inquiry.

- 1) 3D Step of Files and 2D Drawings
- 2) Material requirement
- 3) Surface treatment
- 4) Quantity (per order/per month/annual)
- 5) Any special demands or requirements, such as packing, labels, delivery, etc.

Q: What are the main oversea markets of ERBIWA?

A: Currently ERBIWA regular oversea customers are from Germany, US, Italy, France, UK, Spain, Netherlands, Japan, India, and Denmark etc.

Q: How do you control the quality?

A:

- 1). Materials inspection by IQC, including hardness check, overall dimension and material certification.
- 2). The first sample inspected by QC, and QC will check as per the parameters list and critical dimensions according to 2D drawing provided by customers. After dimension checked to be OK, and we will send samples for customer approval to decide if it can go ahead with production;
- 3). During injection moulding production, our QC will check the injection molded parts every 2 hours, ensure no any rejects and parts are produced in stable quality;
- 4). FQC will check the products before sending to the warehouse;
- 5). 100% inspected by OQC before shipping out to customer.

Q: What shall we do if we receive defective products?

A: If receive defective product, please send us the photos, we will feedback to our engineers and QC departments and solve the problems at top urgent.
